3. Unique Mechanism:

SL: How does this even work?

PV: N/A

Hey {first_name},

I want everybody that's registered for the free live masterclass to understand the best approach to making money online as a complete beginner.

You keep running in circles because success is unconventional with a conventional agency.

It has tons of barriers to entry, requires endless effort and sacrifice, and is highly saturated.

This means that you rarely get past that initial hurdle, you compete with others on something that you all have, and you end up fighting for scraps.

The most successful entrepreneurs are actually all middlemen, like AirBnB, Uber, or Amazon.

It's relationship-based, leverages the concept of arbitrage, and is extremely untapped.

This means that you have the odds in your favour, you wield an unfair advantage, and you get to play in a blue ocean.

The free live masterclass will teach you to make \$5,000 to \$10,000 per month with an influencer marketing agency in the next 45 to 90 days.

See you there.

4. Narrative:

SL: Made it out the mud

PV: N/A

Hey {first_name},

I got banned from Fiverr, then offered influencer marketing inside of my SMMA, and turned that into my entire business model.

It all changed when I stopped running a conventional agency.

The reason for this was that I decided to become a middleman instead.

I'm a self-made millionaire in my early twenties after trying and failing so many different business models.

I'll be revealing how you can make money online as a complete beginner by doing the exact same thing on the *16th of August*.

The ninety minutes that you spend on that free live masterclass could genuinely change the trajectory of your life.

See you there.

5. Future Pacing:

SL: This makes all the difference

PV: N/A

Hey {first_name},

Imagine sitting at the beach and checking your phone for a second.

You see that a client has just paid an invoice of \$10,000 for a campaign.

You pay the associated influencer for this campaign their \$5,000 cut.

You keep \$5,000 for yourself and enjoy the rest of the day.

This is literally the life that becoming a middleman has created for me.

The only difference between you and I is the approach that we took to making money online as complete beginners.

I'm giving you an opportunity to follow my path on the *16th of August*.

See you there.

6. Sneak Peek:

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first pillar is how to cultivate an influencer network.

It all starts with lining up the right ones to work with.

The second pillar is how to sign clients with a flywheel.

This is where the cash-flow really occurs.

The third pillar is how to run everything on autopilot.

These are the ways to work on the business instead of inside it.

You will ultimately be learning to make \$5,000 to \$10,000 per month with an influencer marketing agency in the next 45 to 90 days.

The cherry on top will be a Q&A for the ones that stay until the end.

See you there.

7. Objection Handling:

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me speak into some of the big ones...

You might think that ninety minutes isn't enough to learn it all.

The thing is that I've stripped this down to what actually moves the needle.

You might think that this is all available on YouTube anyway.

The whole point of this is to hand you the full picture rather than scattered pieces of it.

You might think that it'll turn into one long sales pitch.

The reality is that I'm teaching everything whether you work with me or not.

You might think that you'll miss out if you can't make it live.

The truth is that being there in person really helps for interaction.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

8. Addressing:

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straightforward with you because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can in fact do it myself and teach others.

I'm a player and a coach at the end of the day.

This also gives me the chance to learn from everybody who gets results afterwards.

See you there.

9. Reminder / Recap:

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'm going live at *7:00 PM CEST*.

Here's what I'll be covering tonight...

- How to cultivate an influencer network.
- How to sign clients with a flywheel.
- How to run everything on autopilot.

I'll do a Q&A for everybody that stays until the end.

I've simplified everything so that you're ready to go within the span of ninety minutes.

Would making \$5,000 to \$10,000 per month with an influencer marketing agency in the next 45 to 90 days be worth that?

See you there.

P.S. Join from your laptop in a quiet room for the best experience.

10. Reminder / Conviction Building:

SL: One hour left

PV: N/A

Hey {first_name},

Someone in your position is about to learn to make \$5,000 to \$10,000 per month with an influencer marketing agency in the next 45 to 90 days.

They won't be better than you are or have more potential than you do.

This person just decided to show up to the free live masterclass.

I'll be going live in just sixty minutes and walking through absolutely everything with you.

There will also be a Q&A going down towards the end.

Most of the people that registered for it won't even show up, because they've told themselves that they can check it out another time, but they can't.

See you soon.

11. Reminder:

SL: We are officially live

PV: N/A

Hey {first_name},

The free live masterclass is happening right now and the room is beginning to fill up.

I'll be getting into the first pillar pretty soon.

SL: This ship is sailing

PV: N/A

Hey {first_name},

It's not too late to hop inside the [free live masterclass](#) just yet.

We're a few minutes in and I'm only finishing up with the introduction.

I'm about to get into the first pillar.

This is where the real value starts.
