

1. Confirmation:

You guys are officially registered for the free live masterclass this Sunday at 7PM CEST.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

You can grab the Influencer Rolodex in the description as well.

2. Lead Magnet:

Your free gift is ready by the way guys.

The Influencer Rolodex is pinned in the description right now.

3. Unique Mechanism:

I want you guys to know the best approach to making money online as a complete beginner.

You keep running in circles because success is unconventional with a conventional agency.

The most successful entrepreneurs are actually all middlemen, like AirBnB, Uber, or Amazon.

I'll break down how this whole thing works inside the free live masterclass.

4. Narrative:

I got banned from Fiverr, then offered influencer marketing inside of my SMMA, and turned that into my entire business model.

Let me give you guys some context real quick.

It all changed when I stopped running a conventional agency.

The reason for this was that I decided to become a middleman instead.

I'm a self-made millionaire in my early twenties after trying and failing so many different business models.

The free live masterclass is going to be an absolute banger.

5. Future Pacing:

I want you guys to imagine sitting at the beach and checking your phone for a second.

You see that a client has just paid an invoice of \$10,000 for a campaign.

You pay the associated influencer their \$5,000 cut.

You keep \$5,000 for yourself and enjoy the rest of the day.

This is what becoming a middleman is all about.

The only difference between you and I is the approach that we took to making money online as a complete beginner.

I'm putting you onto this inside of the free live masterclass.

6. Sneak Peek:

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to cultivate an influencer network.

The second is how to sign clients with a flywheel.

The third is how to run everything on autopilot.

There's going to be a Q&A too for the ones that stick around until the end.

7. Objection Handling:

I hope you guys are fine with me reading your minds real quick.

Is ninety minutes really enough to learn it all? I've stripped this down to what actually moves the needle.

Isn't this all available on YouTube anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will it turn into one long sales pitch? I'm teaching everything whether you work with me or not.

What if I can't make it live? Being there in person really helps for interaction.

I'll get into everything else inside the free live masterclass.

8. Addressing:

You guys have been asking me why the free live masterclass is free of charge.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can in fact do it myself and teach others.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results afterwards.

This is pretty much what's in it for me.

9. Reminder / Recap:

Today is the day people.

I'll be going live at 7:00 PM CEST and walking through the three pillars then doing a Q&A towards the end.

It's so clear and concise that you should be set after only an hour and a half.

Just make sure that you join from your laptop in a quiet room if you want to get the most bang for your buck.

I'm going to pin the link in the description and send it through a little later.

10. Reminder / Conviction Building:

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get all the sauce.

They won't be better than you are or have more potential than you do.

This person simply decided to show up for it.

Just remember that I'm running a Q&A at the end too.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK]

11. Reminder:

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

12. Reminder:

You guys have still got time to hop inside the free live masterclass.

I'm only wrapping up the introduction and getting into the first pillar right now.

The real value is about to start though.
